We are having another fun ride at Brown's ranch trailhead in McDowell Sonoran Preserve. Enjoy a slow and social ride that will last about 3 hours and respect abilities of all riders and horses. The scenery and companionship is what makes our rides special.

The trails and facilities are the best we have found for a fun easy ride. The footing is groomed smooth with little elevation and no water crossings. Barefoot and out-of-shape riders/horses will have no worries.

The park has water, bathrooms, and shade. For \$15, join us for a beautiful ride and a delicious post-ride fried chicken lunch by our wonderful trail cookie, Kathy Turner.

Please, **plan on arriving at 9AM**. Ride start at 10AM.

Please **RSVP** to
